The Spirit drove Jesus out into the desert, and he remained in the desert for forty days, tempted by Satan. He was among wild beasts, and the angels ministered to him. (Mk 1: 12-13)

Our Lady of Medjugorje's
Monthly Message of
February 25th, 2024:

Dear children! Pray and renew your heart so that the good which you have sown may bear the fruit of joy and oneness with God. Darnel has seized many hearts and they have become unfruitful; that is why, you little children, be light, love and my outstretched hands in this world which yearns for God Who is love. Thank you for having responded to my call."

On the 25th of each month, Our Lady gives a message through the visionary Marija Pavlovic-Lunetti for the villagers in the parish of Medjugorje and for all those who choose to follow her on the path to holiness.

Fr Livio: Why I Believe in Medjugorje

From mysticpost.com

Believing in the apparitions of the Madonna is not a matter of divine faith because they are not a biblical truth but a reality that belongs to the history of the Church. It is not a divine revelation that requires the response of divine faith, as Pope Montini distinguished. The apparitions require a human faith even if fueled by grace, because what happens can be found humanly. But it takes a special calling to believe.

I have lived the story of the apparitions from the beginning (1982-83) when one of my brothers, returning from a state school, informed me of some young people in his class who were talking about an apparition in a town in Yugoslavia.

I became interested and went to Medjugorje in 1985 and was able to experience the history of the apparitions over time. I went there, I participated, I studied Croatian, I joined families; every year I spent at least forty days in Medjugorje and therefore overall I was able to develop my own vision of things. The bishop was against it and when I went to visit him I heard all his arguments. I reflected and when I returned home, I wrote to him saying that I had concluded differently. He himself told me "you are free to believe or not to believe".

The faith I had at the beginning is still present today, I have never had any doubts about the apparitions, despite the defects and shortcomings of human beings. Furthermore, one must have the right theological perspective: one does not become a saint the moment one has an apparition, one is called to sanctity but it is possible to make mistakes due to ignorance or weakness, as can be understood from Vicka's statement in the book written by Father Bubalo: "We were crazy kids".

From then until now, I have had no doubts despite having seen everything, even what the devil does to mislead people, even important and internationally renowned figures, who at first believed and subsequently followed other paths; in my experience there has never been anything that put me in crisis.

I would like to offer some elements of reflection which are important, because the credibility of the apparition must also be supported by serious arguments. It is not enough to say "I believe" but also to have reasons for belief.

First argument: The apparitions have lasted over time, more than forty years. Medjugorje is an evergreen tree. It was enough for Our Lady to give it a shake on December 31, 2023 to ensure that people everywhere gave a demonstration of affection and faith. These apparitions are more relevant than ever because at this moment we have no other security than that of the presence of the Queen of Peace. We would be desperate without Our Lady. No one would keep the "boat of Peter" afloat which she has strengthened with her preaching and her messages in recent years; while the untrue apparitions, which are human works, have vanished over time.

Second argument of credibility: The group of the visionaries. There are six visionaries who believed then and still believe. There has been no defection on the part of any of them, they all believe and there has never been any dissension

among them, no opposition, but a consensus in saying everything that Our Lady wanted to be said. The Queen of Peace used all the visionaries as a wonderful and harmonious orchestra. Even today the visionaries are six normal people who have families, children, grandchildren and testify to Mary's presence and her messages by their lives.

Third argument: The impeccability of messages. Finding a theologian who does not make some blunders is difficult. Sooner or later, due to ignorance on the subject or out of presumption, they may stumble upon some slip-up in the truths of faith. For example, in an interview Pope Francis said that he wishes hell was empty. He didn't say it is empty. Some have distorted the words of the Holy Father by manipulating them. Even the Queen of Peace said "*I wish to take you all with me to paradise*" (April 25, 1994). It's difficult to find something that doesn't cause concern. But in Our Lady's messages there are no errors of theology or spirituality, no inconveniences, or things that would be better left unsaid, things that aren't up to the task. Rather, they are all bright, adamant and very clear. When I asked the bishop where the messages came from he replied that the messages are evangelical.

Fr Livio of Radio Maria

Fourth argument: The fulfillment of the Marian prophecies. As Cardinal Caffarra said "Medjugorje is a prophecy that comes true". Since the Madonna arrived, she has achieved what she said: first of all the collapse of the Soviet empire; she saved us from atomic conflagration; she is now realizing the great prophecy of salvation in a world that is heading towards self-destruction and which at the same time has rejected faith in the Cross. She is working and operating so that the pastors of the Church triumph with her, this is a realization of Mary's plan which is part of her promise at Fatima and will be fulfilled with the triumph of her Immaculate Heart; we have seen all this and we see it come true. The Secrets mature over time, in history. Except for the third secret, which comes from God, all the other nine are works of nature or man, they are catastrophic events from which Our Lady protects us and she will indicate them to us three days before they occur.

The so-called vox populi, the modern diffusion of Medjugorje expands throughout the world, even in Russia, China, Saudi Arabia: Our Lady is present everywhere. There is a widespread diffusion of Mary's Messages throughout the world.

The Queen of Peace – in her infinite condescension and goodness towards us – promised a sign. The visionaries had initially asked for a sign to convince the people. Our Lady will grant this request in the third secret, and it will be an indestructible, beautiful sign, which comes from the Lord and which will last forever until the end of the world: Mary will give this sign to demonstrate that she has been here and is here, and it is in front of this sign that the Church is called to make a choice. Those who do not believe cannot explain the reason for this miracle of perseverance, the messages, the prophecies that have come true, the conversions, the phenomena to which an explanation that is not imaginary but real must be given. Each of us, before God, now and in the time of the Secrets, must decide our destiny.

From the Diary of Sister Emmanuel

www.childrenofmedjugorje.com

On January 25, 2024, the visionary, Marija, received the following monthly message:

“Dear children! May this time be a time of prayer!”

What are the two weapons that will remain?

This last message from Our Lady on prayer summarizes, in a single sentence, the purpose of Medjugorje and Mary's immense desire for her children. Neglecting prayer has serious consequences. Let us think of the apparitions of Akita, in Japan, that have been recognized by the Church, where, through the visionary Agnese Katsuko Sasagawa, the Blessed Mother emphasizes the urgency of prayer in these apocalyptic times. Prayer is vital! It cannot be ignored! The future of the world depends on prayer. And yet, people's consciences are asleep in the darkness of materialism! Our Lady does not hesitate to say that ***“The only weapons left to you will be the Rosary and the Sign that my Son left”*** (the Eucharist).

In Akita, Mary strongly invites us to pray for the Pope, for bishops and priests, and to ***“Pray in reparation for the evil done by men”***. She even announces a time when we will see ***“Bishops against bishops, cardinals against cardinals...”*** (13.10.1973). Today more than ever, our weapons are prayer and the Eucharist! This is no longer the time for speaking and expressing opinions, this is the time for prayer, because a large part of humanity still does not know Christ, after 2000 years of Christianity! ***“Without Jesus,”*** Mary tells us, ***“you have no peace, no joy, no future and no eternal life.”*** (message to Marija of July 25, 2010). It is not too late!

Restarting the first Saturday Devotions?

Every one of us can actively work for peace, not only in our own hearts, but also in the world. At Fatima, the Virgin Mary gave us her program for peace, simple, clear and effective. In Medjugorje, she helps us to live this program concretely. She created this oasis of peace to achieve what she began in Fatima; this is why she teaches us at length to become bearers of peace in this world without peace!

Sister Emmanuel

the mysteries of the Rosary for fifteen minutes.

Let's take a look at the highlights of this program! On July 13th, 1917, while the 1st World War was raging, Mary recommended to the little shepherds of Fatima certain concrete steps to practice on the first Saturday of each month (also called Saturdays of the Heart of Mary), in reparation for the offenses, blasphemies and ingratitude that wound her Heart and crown it with thorns. This practice means receiving holy communion in reparation for these offenses, making a sincere confession of our sins and meditating on

Through the practice of this devotion on these first Saturdays of the month, we have a great opportunity to give Our Lady the totally free gift of our love. She did not fail to make a beautiful promise to those who would practice the first Saturdays, since she promises to assist us especially at the hour of death...that is no small thing! But let us freely offer her this prayer, out of pure love for her, to console her for the many offenses that are made against her. It will give her immense joy! Offering this free gift demonstrates our love for her. We do not love because we feel forced! We ourselves know well how to recognize a free gift, a true testimony of love... What is freely given goes straight to the heart!

More powerful than God?

I know a man more powerful than God, said the holy Curé d'Ars - Saint John Vianney - in a homily, to everyone's surprise. He explained, ***“It is the man who prays!”*** Indeed, our prayer is powerful on the Heart of God and can alter His plan!

Father Matteo La Grua, from Sicily, whose beatification process is underway, is a good example of this. His heart was always praying. He radiated peace and love to all. Many of my friends knew him. Here are some facts from his life that can encourage us to pray endlessly:

Empty tank? One evening, Father Matteo was traveling with his driver to a town in Sicily to give a lecture. Along the way, his driver Franco warned the priest of a real problem: ***“We are almost out of gas! We are at risk of being stuck! There is little chance we can find a gas station before we get there!”*** ***“Don't worry,”*** said the father, ***“we will pray. Keep driving!”*** Father Matteo put his head in his hands as usual and started praying in silence. The strange thing is that the fuel dial needle, instead of continuing to drop, gradually moved up, as if an invisible hand were putting fuel in the tank. When they got to their destination, the needle indicated that the tank

Our Lady Teaches on Fasting at Medjugorje

Satan Will Do Everything to Prevent You From Fasting

from the book: *Words from Heaven, Messages of Our Lady of Medjugorje*

We can achieve miracles by fasting, we can stop wars and receive great graces.

Fasting is a phenomenal weapon for spiritual warfare in these times of apostasy and spiritual laziness. From the first days of the apparitions in Medjugorje, the Queen of Peace insists that we fast, on bread and water, every Wednesday and Friday of the year. "Fasting on bread and water is the most important thing to fight against the plans that Satan currently has", said Medjugorje seer Marija Pavlović. "Our Lord reminds us that certain demons can only be driven out by prayer and fasting," she added.

In the apparition, the Queen of Peace says, among other things: ***"Be witnesses of hope, because I repeat to you, children: with prayer and fasting, even wars can be suppressed."*** Countless times the seers have reminded us that fasting works miracles and wars and natural disasters can be stopped because natural laws are stopped by fasting.

Here we bring twenty-six statements about fasting that were presented by Our Lady in Medjugorje and that confirm that fasting is one of the main weapons that we will need in the battle of the end times. Our Lady also calls fasting the way, the tool in which Satan's power in your life is destroyed.

26 miracles and graces of fasting

1. Fasting stops wars.
2. Fasting can suspend the laws of nature.
3. Fasting lessens God's punishments.
4. Fasting is a weapon of considerable power, with which atomic power cannot be compared. Atomic force does not have the strength to defeat Satan the way that fasting does.
5. Bread and water is the best fast.
6. Fasting, in order to be strong, must be done with the heart.
7. Fasting will fulfill all of Our Lady's plans that God Himself has outlined for the salvation of the world in this special time.
8. By giving our fast to Our Lady, we "force" Satan so that he cannot lead us to evil and fasting drives him away.
9. Fasting cleanses our hearts from the sins of our past. (Through confession, past sins are forgiven, but healing from a life of vice or healing a memory that Satan uses against us to bring us back to sin requires purification).

10. By fasting, together with prayer, you will get everything you ask for.

11. Fasting sanctifies you to receive the Holy Spirit.

12. Humility is the fruit of fasting, when it is connected with prayer.

13. The current fast in the Church is not sufficient. Our Lady wants that to change. She said that fasting has been forgotten in the last quarter of this century in the Catholic Church. (In the past, the church fasted every Friday on bread and water, and before all major and minor holidays, and the Lenten fast was indeed like that)

14. Fasting is one element that prevents Satan from defeating us. Fasting with the heart and prayer with the heart defeats Satan.

15. Satan is furious against those who fast and convert.

16. Fasting for the sick can heal them together with faith and prayer.

17. Fasting, together with prayer, was suggested by Our Lady as a remedy to stop the

debates of the holy priesthood.

18. Fasting will bring the Kingdom of God among us.

19. Fasting makes our Lady happy.

20. Fasting will make prayer more powerful.

21. Our Lady will ensure that the greatest good comes out of our fasting. She wants us to give her our fast and she "disposes" of it according to God's will.

22. Fasting, together with prayer, and especially prayer in community, will protect you from Satan's aggression as he destroys marriages and creates divisions among priests. Fasting will defeat Satan in his plans of possession, destruction, and murder in today's society for which Our Lady says he is responsible.

23. In order to receive grace from God, it is best that no one knows that you are fasting.

24. We should fast out of gratitude.

25. Fasting should be encouraged in others.

26. Our Lady tells us to prepare for the coming of Jesus by fasting.

Banker says he saw Virgin in sun at apparition site – Giglioni says he saw the Virgin Mary in the sun minutes before 5.40 pm when three Medjugorje visionaries have their daily apparition. “When we went to Apparition Hill, the sun had become so bright that its light took up much of the sky. Then suddenly it started to throb and turn on itself, and then split into two. And then you could see the image of the Virgin Mary dressed in a blue cloak, and a purple Cross.

Tears fell from Our Lady's statue at an orphanage chapel near Medjugorje – Tears came from Our Lady's eyes. Dr. Christina DeSantos, M.D., from Texas took a photo on November 8, 2011. The statue is in the chapel at Sister Kornelija's orphanage in the village of Vionica, near Medjugorje.

Medjugorje visit cured Italian boy from 19 tumors – For eight months, 2 year old Joshua battled an end stage cancer that brought him through a transplantation, 80 chemotherapy treatments, and 17 radiotherapy sessions. was completely full! God can do this, when he receives the prayers of his children. Such signs were given to many pilgrims coming to Medjugorje in the 80s. Finding no gas station in Yugoslavia, they were still able to drive to Medjugorje.

"The Lord will think of it!" Father Matteo was supposed to drive to a meeting in Agrigento to lead a retreat with Vita Nuova, some 200 km from Palermo. Four people were with him. In the afternoon, his driver said that it was impossible to leave because the 4 tires were worn down, and it would be dangerous and very unwise to drive in such conditions. In addition, the police could arrest them and fine them heavily. But Father Matteo was not impressed by the obstacle!

"Start the ignition, let's go! he said, and don't worry, it's up to the Lord to think about it! He put his head in his hands and started praying. The driver knew him well: he knew that father Matteo's prayer was astonishingly effective and that his faith could move mountains. So, he turned on the ignition and started driving. Father Matteo remained in prayer throughout the whole journey, his head in his hands. The 200 km went smoothly. The passengers remained serene, albeit a little puzzled. When they got to their destination, the driver rushed outside to see the condition of the tires.... When he saw them, he began to weep! He told Father Matteo: "Look, the 4 tires that were worn and smooth, are now brand new! We can even see the rubber hairs on them as if they have just come out of the factory!"

This was the man who got everything from the Lord. How did he do it? I believe the answer lies in this message from Mary: **"Dear children, I invite you to become prayer!"** (July 25, 2017). Indeed, it is one thing to pray, it

is another to become prayer! Then it is Jesus Himself who prays to His Father within us. "The Father and I are one," Jesus tells us (John 10:30-38), and Jesus invites us to be one in Him as He is one with the Father. This is our Blessed Mother's dream for us, through her visits to Medjugorje. This is the reason for her constant invitations to pray. She knows the path of sacrifice and happiness involved, and she has been telling us about it for so many years.

A good suggestion for Lent

A suggestion for a good start to Lent. To answer the call of the Theotokos, the Mother of God, I wish to invite each one of us to show our gratitude to God. The aim is to dedicate the entire next day to giving thanks and being grateful to God. Pray only these prayers for 24 hours! How much suffering would be alleviated if we thanked God for everything He gives us instead of complaining! How many evil spirits would stop tormenting us! The enemy flees before a grateful and always joyful heart. "The secret to happiness, said Little Flower, is to find wonderful everything that the Lord sends us."

showed 19 tumors and all bone metastases to be gone as the beginning of Joshua's now complete recovery.

Millionaire Gives It All Away After Seeing The Blessed Virgin At Medjugorje – She was all white and as big as the heavens. I went to point my finger up and say, 'Look!' but my hand froze halfway and then I couldn't talk. I couldn't move my hand, I couldn't talk, and I couldn't take my eyes off her.

Author Wayne Weible's introduction to his mission – Wayne a journalist was curious about the Virgin Mary appearing in Medjugorje which lead him to watch a video on the subject. Suddenly, while viewing the video, he "felt" an unexpected message within himself. The message was strong and gentle: **"You are my son, and you are to do my Son's work. Write about the events in Medjugorje."**

Blind Woman Was Allegedly Healed Instantly At Site Of Medjugorje – One night in August 1998, while in pain, Veronica began to pray. All of a sudden she saw Jesus standing before her beckoning to her with his arms outstretched. He showed her a panorama: a village, a mountain with a big cross on top.

Medjugorje photo shows rays of colorful light surrounding Cross & Virgin Mary statue.

For the first time, Mary came with Baby Jesus at Medjugorje on day other than Christmas – But this time, instead of carrying the Baby in her arms, she held him up high in front of her, facing the crowd and turning with Him so that his vision could embrace all people present.

Medjugorje corpus of the Crucified Christ weeping – Sometime on or just after the apparition's 20th anniversary around June 28th, 2001, a substance that feels like a cross between saltwater & oil began exuding from a scraped area of the knee of a large bronze corpus of the Crucified Christ behind the church.

After a startling vision of Jesus on the cross, comedian turned into a Catholic – "All of a sudden, the cross lit up, and it lit up, best I can describe it, like those old strobe lights, quick, and I see Jesus on the cross. I saw him like I have never seen a person before or since."

Our primary goal, our main focus, is to bring Jesus Christ to the world and to bring the world to Jesus Christ. To accomplish this task, the MIR Center of Western Colorado was established to provide accurate information about the messages and events originating from Marian apparitions occurring in Medjugorje and elsewhere. We are committed to living and sharing the messages of Medjugorje and helping others to live the messages as well. By living the messages of Medjugorje, which are in essence the message of the Gospel, we hope to spread peace into our families, into our communities, and into our world. As a nonprofit organization, we intend to use any and all funds raised or donations received to aid in spreading the messages of Our Lady to all who will listen. With regard to the apparitions occurring in the world today we humbly submit to the final authority of the Catholic Church.
